

The Greater Newton Chamber of Commerce

Annual Holiday Parade Saturday, November 26, 2011 10:00 am

We would like to invite your school, organization, business or group to participate in this traditional holiday event by marching in the parade. This event has been being held for over 40 years and has participants from all over our county.

The theme for this year's parade will be: TOYLAND

Prizes will be awarded for the floats and/or group who best depict the theme. Please be advised that floats must arrive by 8:30 am. All floats will enter Spring Street via Diller Ave.

Judging will take place before the parade so that as participants reach the reviewing stand we can announce the winners. If your float is not in place by the 8:30am deadline it will not be judged.

All marchers should arrive between 8:30 am and 9:30 am at the Lower Spring Street staging area. Lower Spring Street will be open for you to drop marchers off but you will not be allowed to park vehicles there. Be advised that the staging area will be blocked off to all vehicular traffic. Further information about where you can park will be sent after you have registered to march in the parade.

Musical groups, Floats, Animals and Vehicles such as antique cars are welcome to participate. If you are interested in building a float there are several supply and informational sites available on the web.
