

New Jersey 4-H Photo Corps

Logging In

There are two steps to join the New Jersey 4-H Photo Corps project, registration (one time only) and submitting your photo. The software we're using for this project is designed to manage large 4-H fairs. Some of the terms you'll see relate to fairs. If these seem confusing, don't worry; follow these directions and you'll be fine.

To register for Photo Corps, go to the site, <https://nj4hphotocorps.fairentry.com>. On the home page, you'll login through 4-HOnline, if you're a 4-H member. If you're not in 4-H, you'll set up an account in Fair Entry with your contact information.
