

2021 4-H NJSF®/SCFHS 4-H Club Booth Theme

The theme for the 4-H club booth displays for the 2021 NJ State Fair/Sussex County Farm & Horse Show is...

Inspiring Kids to Do

National 4-H's current marketing campaign *Inspire Kids to Do™* is designed to motivate youth across the country to seek out more opportunities for service to others, gaining skills needed to succeed in their lives and their careers in the process. It shows everyone that the 4-H program is doing awesome things in our communities and around the nation.

Show us what your club is doing and how it can inspire others. What projects, activities, and/or events has your club participated in this project year? How has your club provided service to others? How has the project, activities, and/or events in your club inspired the youth in your club and/or the community? Please remember that booths should be a collaborative effort by the club members.

To promote conservation and keep 4-H green, please reuse or use recycled materials in your design. Creative interpretation of the theme and use of green materials will be among the criteria used by those judging the booths. Interactive displays are encouraged, but all parts and décor must remain in the booth.

To participate a club booth form attached needs to be completed and return it to the 4-H office by July 1 to register for the fair.
