June 2022

Dear 4-H Market Animal Sale Supporters,

Throughout the year, 4-H members learn about to care and feed their livestock projects. Many go on to purchase a market animal project (lambs, goats, pigs, steers and, rabbits) where they apply what they have learned. All of this in hopes their project will be judged as Excellent to qualify for the 4-H Market Animal Sale (MAS).

You can contribute to our MAS success by participating as a buyer. It is a great way to fill your freezer with fresh, local, all-natural, beef, lamb, pork, rabbit, or chevon (goat meat). If you're not sure you have enough room in your freezer, some buyers pool resources to bid on an animal and divide the meat afterward.

If you prefer, all or part of your purchase may be donated to a local charity. Arrangements have been made to have the meat processed under USDA inspection. The 4-H member who raised the animal you purchase will deliver packaged meat to you or the non-profit you choose.

A Social to welcome potential buyers will be held Tuesday, August 9<sup>th</sup> beginning at 5:00 pm in the Sussex County Board of Agriculture BBQ Pavilion. Following the Social, the live auction of animals for the MAS will start in the Livestock Arena at 7:00 p.m.

Please complete the enclosed registration form and mail or email it to the address indicated. In return, you will receive passes for admission to the New Jersey State Fair®/Sussex County Farm & Horse Show, a parking pass, and we will reserve a place for you at the Social.

We look forward to your participation at the 2022 4-H Market Animal Sale.

Sincerely yours,

Dave Foord  
4-H Senior Program Coordinator

## Sussex County 4-H Market Animal Sale

June 2022

Dear 4-H Market Animal Sale Supporters,

On behalf of the Sussex County 4-H Market Animal Sale Committee, I would like to invite you to attend this year's Market Animal Sale. The Sale will be held Tuesday, August 9<sup>th</sup> at 7:00 PM. A Social gathering before the Sale featuring barbecued meats, local corn and other fine foods will commence at 5:00 PM.

Sussex County enjoys impressive participation in 4-H programs which offer positive and hands-on development opportunities for our youth. The Market Animal Sale provides a selling opportunity for the 4-H'ers who complete all the program requirements in raising project animals. As a reminder, all market animals raised by 4H'ers are natural!

The Market Animal Sale has been successful because of the interest and generosity of people such as you. Your participation is tremendously appreciated by the 4-H'ers and their families. I look forward to seeing you on August 9, 2022; should you have any questions about the Sale please contact me by email or call. If you know of anyone else in the surrounding communities that would be interested in supporting the 4-H'ers in the Market Animal Sale, please contact us, and we will be more than pleased to extend an invitation to them!

Please complete and return the enclosed Registration Form by July 15, 2022 if you would like to attend. To help reduce costs and expedite registration at the social, name tags and bidder cards will be pre-printed only for registrations that are submitted in advance of the social.

Sincerely,
