

Agricultural Scholarship

New Jersey State Fair – Sussex County Farm & Horse Show – Ag. Division

Agricultural Scholarships are presented each year to a Sussex County graduating high school senior or college student currently enrolled in an agricultural program, pursuing a two or four year degree, or graduate studies in one of the many fields of Agriculture listed below.

The minimum award amounts are \$400.00 and the deadline for filing is April 15th.

In order to be eligible for this scholarship, the following criteria must be met:

- ❖ **The applicant must be a Sussex County resident as a New Jersey high school senior , or a current student in an agricultural course of study in college (2 or 4 year school).**
- ❖ **The applicant must be in good academic standing. Please send copy of current transcript**
- ❖ **The applicant must have plans to enroll in an agricultural course of study as a two year, four year or graduate student (consult list of fields below)**
- ❖ **The applicant must complete the Agricultural Scholarship application.**
- ❖ **The applicant must include a Statement of Future Goals which states: (500 word min.)**
 - **His/hers interest in Agriculture**
 - **Intended course of agricultural study**
 - **Career Goals**

The completed application and Statement of Future Goals must be received by April 15th for consideration by the selection committee.

Applications should be submitted to:

Ag. Scholarship Selection Committee
