Re-Enrollment-Youth

Clicking the **Enroll Now** link will launch a wizard window asking you to enter the member's school grade.

The next window will confirm the member wants to enroll in 4-H.

Clubs

In this section you will select the member’s 4-H clubs.

The timeline at the top of the page will show your progress. You can always go back to a section to change information. If you get interrupted, the program will take you back to where you left off.

Click *Select Units* to begin.

By default, you can select a club from your county.

If you are participating in a club from another county, select that county from the drop-down menu. This will display the clubs in that county.

Do **not** select clubs without contacting the club’s leader first.

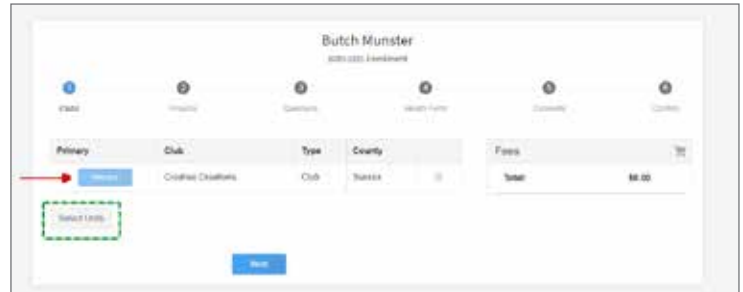

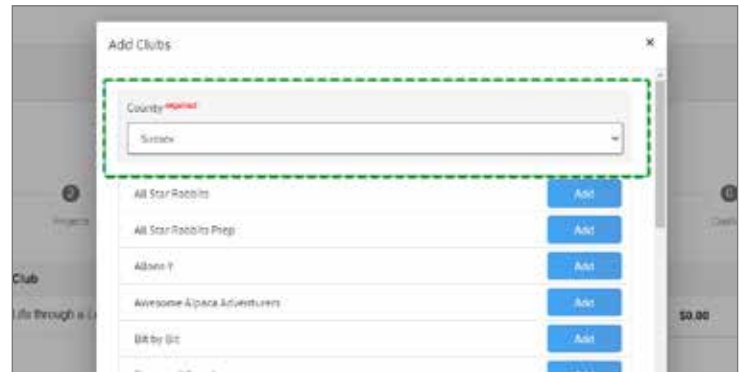

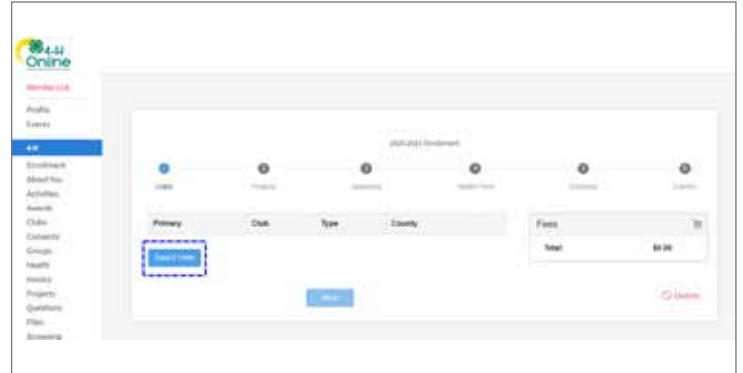

The club will be added to your record.

Primary Club

The first club selected is the member’s **Primary** club. The leader of this 4-H club must confirm the member’s participation before their enrollment can be approved by the county 4-H office.

You may select additional clubs by clicking the *Select Units* button.

When you have selected all the member’s clubs, click *Next*.

Projects

In this section you will link each club to a project.

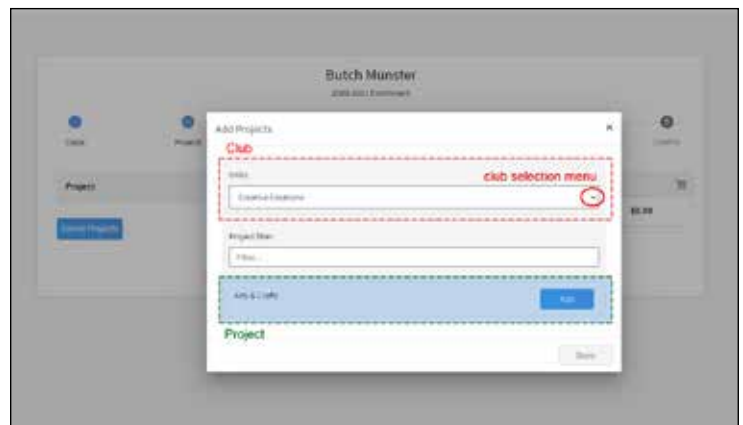

Click the *Select Projects* button.

To add the project listed at the bottom the screen to the club at the top, click the *Add* button.

If more than one project is listed for the club, add those in which you will be participating.

Click *Select Projects* for each club you added to your record. Choose each club through the drop-down menu to add projects to it.

When you have added projects to each of your clubs, click *Next*.

Questions

In the Questions section you will add to the personal information you entered in the *About You* section.

Click the *Show Questions* button.

Add contact information for any additional guardians for the 4-H member. Select the school they attend and answer the questions regarding military service.

When complete, click *Next* to continue.

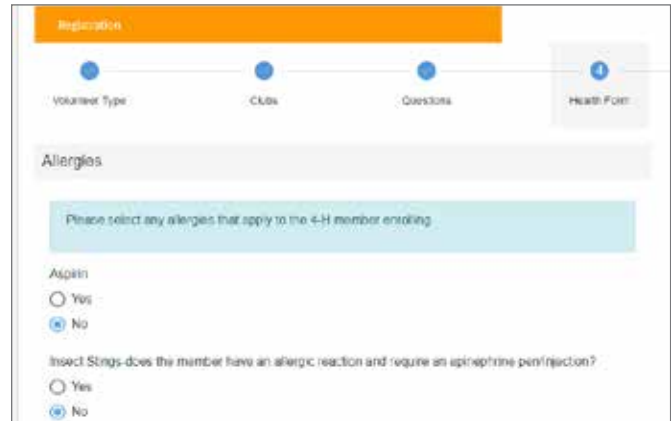

Health

In the Health section you will be able to share information about any allergies the 4-H member may have. Most of these are not required, but answering them will help us provide a safer environment.

Click the *Show Health Questions* button.

When complete, please type/sign your name in the field at the bottom of the page, and click *Next*.

Note: During the program year you will be able to change or add information to the member's health record.

Consents

Consents are policies you must read and sign indicating you agree. (With the Media Agreement you have the option to decline.)

Click the *Show Consents* button.

Review the consent forms, click the appropriate button afterward and sign.

Click *Next* when done.

Confirmation

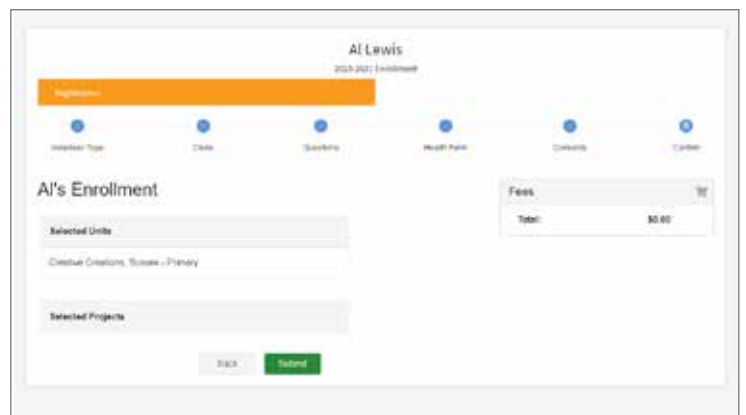

The Confirmation page is your final step.

Please review the club and project information for accuracy. (You can return to any part to make changes.)

Click *Submit* when done.

Congratulations! You will receive an email confirming your submission and another when you are officially enrolled.

You may check on the status of your enrollment by logging into your 4-HOnline account.
