

The Beth and Owen Pool Memorial Scholarship

The Beth and Owen Pool Memorial Scholarship was established in 2021 to honor the memory of Beth Pool and later to honor Owen Pool in 2023. Beth and Owen were dairy farmers and agricultural advocates from Gloucester County. They owned and operated Sebowisha Farms, a dairy farm where they milked Holsteins and raised their own crops. Beth's passion for the agricultural industry was evident when she gave farm tours for school children to learn and experience the world of agriculture. Owen traveled throughout New Jersey to attend meetings for the betterment of agriculture.

Aside from her hard work on the farm, Beth dedicated her time to serving others. She served on the New Jersey Farm Bureau Women's Leadership Committee (NJFBWLC) for 30 years, serving in various capacity including 1st chair. For 10 years, she represented the Northeast serving on the American Farm Bureau Federation Women's Leadership Committee. Beth also participated in many school programs through the Ag Education Committee of NJFBWLC. Beth served as a 4-H Leader in Gloucester County, teaching children how to cook and sew and was a member of the Gloucester County 4-H Fair Association, most notably running the food concession stand that served thousands of people during the Fair.

Owen was always involved in agriculture. He bought his first group of cows immediately after graduation to establish the dairy farm. Owen became very involved in agricultural organizations. He was a former treasurer and director of New Jersey Farm Bureau, president of Farmers Brokerage & Supply, and a delegate for Land O Lakes Co-op. He was also president of Gloucester County 4-H Fair Association for over 20 years. Owen was proud to have served as NJ State FFA president.
