Parade Kickoff 10:00 AM

We would like to invite your school, organization, business or group to participate in this traditional holiday event by marching in the parade. Musical groups, floats, animals and vehicles such as antique cars are welcome. This event has been being held for over 60 years and has participants from all over our county. The parade begins promptly at 10:00 AM.

The theme for this year's parade will be 'All I Want for Christmas'. Please feel free to use your 'pure imagination' to bring your floats/groups to life.

Cash awards will be given on site for the floats and/or groups who best depict the theme. Please be advised that floats and groups that wish to be judged must be in place by 8:30 AM. Judging will begin promptly at 8:30 AM. All floats will enter Lower Spring Street via Quantum Leap (the Thorlabs parking lot). Judging will take place before the parade so that as participants reach the reviewing stand, we can announce the winners.

All other marchers should arrive between 8:30 and 9:30 AM at the Lower Spring Street staging area. Lower Spring Street will be open for you to drop marchers off, but you will not be allowed to park vehicles there. Be advised that the staging area will be blocked off to all vehicular traffic. Parking will be available at all municipal parking in the Town and down at Memory Park.

Please note that under no circumstances may your group/float utilize a Santa impersonator or anyone in a Santa costume. Santa arrives at the end of the parade on a fire truck, and we have found that it confuses the young children in the audience to have more than one Santa.

If you or your group wish to join in the festivities, please fill out the enclosed form and return it by November 15, 2024.

Mail or email the form to:
